Dear Sir,

With reference to the captioned subject, Pune Municipal Corporation (PMC) has taken several initiatives for the data to be available in an open format to facilitate use, reuse for the citizen. This Platform has also a strong component of Citizen Engagement. Pune DataStore has been set up at http://opendata.punecorporation.org/ to provide collated access to Resources (datasets/apps) under Departments published in open format. It also provides a search & discovery mechanism for instant access to desired datasets. Besides enabling citizens to express their need for specific resource (datasets or apps) or API, it also allows them to rate the quality of datasets, seek clarification or information from respective data controller.

Hence, PMC is pleased to submit the Nomination for Mr. Rahul Jagtap, Head IT dept. as a Chief Data Officer under National Data Sharing and Accessibility Policy (NDSAP).
